'45 Graduates Find Positions In Varied Fields; Many Marry

A survey recently completed by the Placement Bureau of Mary Washington College discloses that graduates in the class of 1945 have found positions in a wide diversity of industries and professions. The June graduates have been employed by publishing firms, chemical laboratories, banks, publishing houses, governmental agencies, radio studios, libraries, engineering firms, and hospitals. Some of the young women have entered the teaching profession and others are pursuing graduate work in schools of medicine, library science and social service work.

Although the bureau has no definite statistics to substantiate the fact, it is indicated that a great number of the 1945 graduates have chosen matrimony as a career, rather than a position in industry or the professions. "One might classify them as domestic workers," a bureau official smilingly remarked. Dr. Edward Abney, Jr., director of the placement service, stated that the bureau had had far more positions to fill than applicants to fill them and that every member of the class who wished to find employment was successful in obtaining a position.

MWC Alumnae Serve Country In Armed Forces

In reviewing the events of the war and in planning for the peace that must be enduring, we cannot fail to pay special homage to those Mary Washington College alumnae who gave their full-time services to their country. We would not want to minimize the contributions of those who rolled bandages, acted as air raid wardens, entertained at USO clubs, etc., in addition to keeping the home fires burning and working in busy offices and schools; their services have been so numerous and varied that it would be impossible to list all of them. At this time, however, we salute those girls who donned uniforms and joined the services.

Ellen Trimble Wins Jefferson Cup

Ellen Thompson Trimble was selected as the first winner of the Jefferson Cup and was so honored during the Class Day exercises on June 2 in the college amphitheater. A former resident of Hot Springs, Ellen is now a student of physical therapy under the Army Medical Corps in Battle Creek, Michigan.

The Thomas Jefferson cup will be awarded by the Alumnae Association each June to that member of the graduating class who, "during her years at Mary Washington College, has not only maintained a high scholastic average, signified by listings on the Dean's List, but has performed a most outstanding service for the College." The award was established to commemorate the consolidation of Mary Washington College with the University of Virginia in June, 1944.

Ellen's sister, Mrs. Hubert Parker (Elizabeth Trimble, '38), Mr. Parker and their daughter, Nancy Ellen, came from Richmond for the Class Day exercises. Elizabeth will be remembered as the winner of the Kiwanis Cup in 1938.

The faculty and alumnae wish to extend their deepest sympathy to the family and friends of Lt. Samuel Avery who was killed recently in a plane crash. Lt. Avery's wife will be remembered as Roberta Kingston, '44, of Baltimore, Maryland.

The sum of \$5000 to form the basis of an Alumnae Sinking Fund will be raised by individual and chapter contributions during the 1945-47 terms. This project was approved by the Board of Directors of the Alumnae Association at its last meeting.

The Alumnae Association can and must be an active force in the world of peace. The vast power of this group must be dynamic, not dormant. To utilize effectively this power the Association needs the services of a full-time executive secretary with offices on the Fredericksburg campus. The first use of this Alumnae Fund will be to finance such services.

WHAT CAN YOU DO TO MAKE THE CAMPAIGN A SUCCESS? The answers include:

1. Send in your membership dues promptly.

2. Contribute generously and often to the Alumnae Fund.

3. Assist your local chapter to organize activities to raise funds.

4. Interest wealthy associates in making donations to the fund.

5. The answers to these questions are areas where there are none at present.

6. Remind your alumnae friends to do their share NOW.

Camilla Payne, president of the Alumnae Association, sends this message in connection with the opening of the campaign:

"The Alumnae Association is an organization made up of women who have talked in the halls of Mary Washington College. During that time the spirit of learning, progressing, and doing became a part of each one. The Alumnae Association wishes to perpetuate that spirit."

"I am reminded of the prayer offered by Sir Francis Drake on the morning of the Battle of Cadiz in 1587—'O Lord God, when Thou givest to Thy servants to endeavor in any matter, grant us also to know that it is not the beginning of the same until it be thoroughly finished, which yieldeth the true glory.'"

"Some thirty-seven years ago the founders of Mary Washington College made a beginning of 'an endeavor in a great matter.' To us, successors and daughters, has fallen the privilege of continuing as best we can until we, or our successors, have thoroughly finished it."

Your Alma Mater needs your continuous support, interest and loyalty. REMEMBER MARY WASHINGTON COLLEGE WITH A GIVE TO THE ALUMNAE FUND. The future of Mary Washington depends on YOU.
